Subject Index

- Abdominal Pain
 - Recurrent and *Helicobacter pylori* infection 961
- Accidents
 - Relation to psychosocial conditions and mental development 285
- Achondroplasia
 - Caused by point mutation in in FGFR3 1506
- Acute Illness
 - Fluid therapy 550
- Acyclovir
 - Oral in incubation period of varicella 1418
- Addiction during Pregnancy
 - Fourteen-year follow-up of children exposed to amphetamine 204
- Adrenal Hyperplasia
 - LH levels during hydrocortisone treatment in 21-hydroxylase deficiency 1172
- Air Embolism
 - From peripheral i.v. infusion [Case Report] 385
- Allergy
 - Development and macromolecular absorption in different feeding 1047
 - Phospholipid fatty acids in cord blood and development of allergy 679
 - Smoking habits in adolescents 1207
- Aldosterone
 - Cord levels in preterm infants 611
- Alport Syndrome
 - Epidemiological and clinical study 1300
- Aminophylline
 - Versus caffeine [Letter] 542
- Amniotic Fluid
 - Odor and prenatal olfactory learning 1223
- Androgen
 - Insensitivity in infants? [Letter] 760
 - Reply to letter about sensitivity in infancy 761
- Anemia
 - Epidemiology of aplastic anaemia in northern England [Letter] 1388
 - Fetal iron status in maternal anaemia 1327
 - Parvovirus infection and Black-fan-Diamond anaemia 299
- Anemia of Prematurity
 - Decreased ferritin levels during erythropoietin therapy and iron supplementation 496
 - Prevention by erythropoietin, protein and iron 490
- Antibodies
 - Antiphospholipid 614
- Anticoagulants
 - And APC resistance in childhood stroke 242
- Antiepileptic Treatment
 - During pregnancy. Consequences for fetus 739
 - Effect in neonatal TSH screening 870
- Antithrombin III Deficiency
 - Neonate with aortic thrombosis 245
- Antioxidant Capacity
 - Of blood in newborns 220
- Aortic Thrombosis
 - In neonate with antithrombin III deficiency 245
- Apolipoprotein
 - Cord plasma levels, ethnic variations and coronary risk 1476
